

Sponsor Program

MISSISSIPPI'S WALK TO CURE DIABETES

Saturday, October 24, 2009 Mayes Lake in Jackson

Support the JDRF in our search for a cure for juvenile diabetes by becoming a sponsor at one of the following levels. Your company's name or logo will appear on a sign posted on the Walk Route stating your support.

Signs will read: "Company XYZ supports the JDRF in their search for a cure."

What IS Diabetes?

Diabetes is a chronic, genetically determined, debilitating disease affecting every organ system.

The Juvenile Diabetes Research Foundation

Dedicated to Finding a Cure

The Juvenile Diabetes Research Foundation International is the world's leading nonprofit, nongovernmental funder and advocate of diabetes research. JDRF was founded in 1970 by parents of children with juvenile diabetes – a disease that strikes children suddenly, makes them insulin dependent for life, and carries the constant threat of devastating complications. Their mission is constant: to find a cure for diabetes and its complications through the support of research. JDRF has 100 chapters, branches and affiliates worldwide, which have helped to raise more than \$900 million for diabetes research.

JDRF Tax Exempt #231907729
